

# ONG CHANSY

Full-Stack JavaScript Developer (Next.js)

## About Me

I am a four-year Computer Science student at PPIU University and a junior web developer with a strong foundation in full-stack development. I specialize in React.js for front-end development and MongoDB, PostgreSQL, and Express.js for back-end solutions. My passion lies in creating dynamic, responsive, and user-friendly web applications. I thrive in fast-paced environments, leveraging my skills to develop innovative and efficient solutions.
